Thanks to **Vincent Little** for organizing this year's Food Drive. As you can see from the photos it was another success for Sarasota Rotary Keys and for those who will receive these much needed groceries. The members had a great time helping to fill the carts and we enjoyed a wonderful dinner at the Prestancia Country Club.

As always, **Lou Ann** continues to be a servant to the public and lends her support to help all of the citizens of this beautiful community called Sarasota. We are indeed a fortunate group of people who practice the art of selfless giving. City Commissioner by day, Ginger Rogers by night. Well, not exactly, but very close. Our own Lou Ann Palmer took to the dance floor to raise funds for The Genesis Medical Clinic, a non-profit medical clinic that provides free medical care to individuals who do not have health care coverage.

Joining in to celebrate our own “star” were *Sally White, Herb and Ruth Jones, Bob and Pat Cook, Fred and Alice Taich, Ed Widanka and Marvin Hendon.*

Lou Ann took third place, but if you ask me she was by far the best on the dance floor. *(Rumor has it that the judges were paid off)*
