The Legacy Society: A celebration of Philanthropy

Committed to the betterment of our society, our community and our world. Committed to the principles of Rotary, the promotion of good will and human service. Committed to the ideal of helping our fellow man — That's the heart and soul of the Sarasota Keys Rotary Foundation.

The Legacy Society is comprised of individuals who pledge their support of the Keys Foundation and agree to remember it in their estate planning.

The Foundation, chaired by Herb Jones, with the assistance of David Pilston, vice chair, represents the charitable arm of the Sarasota Keys Rotary Club.

On October 13th, the charter members of the Legacy Society met to celebrate their commitment to the foundation and reaffirm their belief in its philanthropic purpose.

Through the foundation we have supported scholarships for early childhood intervention, and academic advancement. We have supplied dictionaries for students, and groceries for those less fortunate. We have engaged in countless acts of charity and good will. We, as Rotarians and members of the Sarasota Keys Rotary Club, have collectively pooled our resources to lend a hand to those in need.

Thank you for your support. Thank you for standing with the Rotary Club of Sarasota Keys. Your generosity will ensure that the humanitarian efforts our club is known for will continue.

It is our desire to have all of the members of this fine club pledge their support to the Legacy Society. Let's leave our world a better place. *(a complete list of the Legacy Society members can be found in the Key Notes Newsletter).*
