SARASOTA KEYS INTERNATIONAL PROJECT FOR 2007

SARASOTA KEYS ROTARY AND THE ROTARY CLUB OF EL PROGRESSO
JOIN FORCES TO IMPROVE EYE CARE IN THE HONDURAS

The Sarasota Keys Rotary Club has teamed up with the Rotary Club of El Progresso to purchase a large 4x4 vehicle to transport staff and volunteer patients who are in need of medical services.

YES!!! Our grant from Rotary International has been approved. They have matched our club and district contribution enabling us to supply a vehicle to the eye clinic in El Progresso.

Doctors and medical technicians will be able to perform visual acuity exams, and when some type of eye disease is detected, the patient will be referred to the permanent center for treatment and/or surgery.

These patients, because of their physical location in the rural areas, and their level of poverty, would not receive eye care without this special program.

In 2005, there were 18 scheduled eye projects of this nature.

Many times the clinic staff had to borrow a large truck from another organization to provide transportation to these remote areas.

For 2006, there were two brigades scheduled each month because the directors of the clinic realize that this is the best way to reach the poor. Because of our concerted efforts, the center will now have its own vehicle to provide transportation to and from the mountain areas.

21st Annual Youth Awards Banquet

Celebrating youth that have excelled despite the adversities of life. Their stories were heartwarming, their achievements noteworthy, and their ability to rise above the norm and excel commendable.

These are youth that have determined to better themselves and the world around them. They are destined to become the leaders of tomorrow.

Thanks to Alan Grifies and Bill Sikes for putting together a wonderful event. We laughed, cried and rejoiced as each recipient told us their goals and ambitions.

21st Annual Youth Awards Banquet

The Youth Awards Banquet was equally enjoyable for the Rotarians as it was for the students that were honored. It is a good feeling when you know that you are making a difference in

the lives of young children. Special thanks are in order for each of the table sponsors, Rotarians, family members and guests that came out to celebrate with this year's awardees. A view

of the photographs will confirm the fact that *a good time was had by all.*
